Re: Approval of Purchase of Bleachers for CHS Tennis Center

The 2023 Bond election, Proposition D, included the renovation and additions of the CHS tennis center. As part of the renovation, we will be adding four new sets of small five-row bleachers to the main viewing area. The existing bleachers will be moved to the west side of the courts so that fans can watch games from the far side of the court, as well. Sturdisteel has provided virtually all bleachers to Coppell ISD for many years. The quality of their product and service are excellent.

The proposal from Sturdisteel was procured in accordance with Texas Education Code §44.031 through the district's membership with TASB Buyboard, contract #679-22 at a total cost of \$63,050.00. This total cost is well within what was allotted for this project. We are fortunate in that Sturdisteel has these bleachers in stock and are, therefore, not affected by any of the new steel and aluminum tariffs.

RECOMMENDATION: That the Coppell ISD Board of Trustees approve the purchase of four, five-row bleachers from Sturdisteel Grandstands and Press Boxes for a total cost of \$63,050.00.
