MEMORANDUM

TO: Board of Trustees

FROM: Benjamin Brooks, Transportation Supervisor

DATE: November 5, 2013

SUBJECT: Approval of Hazardous and Non-Reportable Transportation Route Areas for 2013-2014 School Year.

SUMMARY: The Transportation Department has reviewed and identified 14 existing routes within the Canutillo Independent School District previously deemed “hazardous” transportation route areas. Five of the previously identified areas do not meet the definition of a hazardous condition as defined by CNA (Legal). Texas Education Code, Section 42.155, paragraph (d) authorizes administration to develop a bus route to transport students residing in designated hazardous areas. Under District Board Policy CNA (Local), any student living in an area declared as “hazardous” will be eligible to receive transportation services. Furthermore, Board Policy CNA (Local) requires that the Board of Trustees review and approve a list of “hazardous” areas on an annual basis.

RECOMMENDATION: It is the recommendation of Administration to approve routes currently identified as hazardous. Further, it is our recommendation that a public hearing be held for the possible elimination of routes identified as hazardous; yet do not meet CNA (Legal/Local) to increase route efficiency and maximize resources needed for the transportation of these CISD students.

Board Item

- Agenda on Public Hearing
- Benjamin F. Brooks, Transportation Supervisor presenting Hazardous Routes
- To determine if routes are to remain hazardous
- For 2014-2015 school year.
