

The Board of Trustees of Minidoka County Joint School District #331 is sincerely concerned and committed to providing a safe and healthy working environment for all of our teachers and staff. We expect a high standard of safety to be followed throughout all operations of Minidoka County Schools to assure the work environment is free of recognized safety and health hazards.

Accidents lead to inefficient operations by increasing costs, decreasing teaching and services, and ultimately reduce District morale. Thus, Minidoka County School District expects every employee to take an active part in our safety program by following District guidelines, using personal protective equipment, practicing safe work habits, using good judgment, thinking ahead, and reporting immediately all observed hazards.

The District Safety Management Committee will have the responsibility for coordination of safety planning and program efforts within the district. The members of the committee will include: Building Principals, the District Safety Coordinator, Building Safety Coordinators, Department Supervisors, County and City Law Enforcement Officers within the school district, School Resource Officers, the District Nurses, and the County Prosecutor. The District Safety Committee will meet on a minimum of two (2) times a year to address student, staff, and building safety issues.
