

**AGENDA  
ITEM**

**SUBJECT:** Consider approval of amending the 2015 – 2016 Drug Testing Policy  
(FNF Local)

**RATIONALE:**

Our GISD policy (FNF Local) does not line up with the policy of the Drug Testing Company (DACTS – Drug and Alcohol Compliance Testing Services), that we have hired to facilitate our drug-testing program.

Enclosed is the policy, FNF Local, as reviewed by our attorney. I have also included the handout that we will give every student at GISD that participates in UIL Athletics, UIL Academics, or an extracurricular activity.

- Language has been added to the policy, FNF Local, to give a more in depth explanation of our policy.
- Currently, our drug testing policy is mentioned on page 35 of the GISD Student Code of Conduct and page 53-55 of the GISD Extra-Curricular Code of Conduct.
- We will continue to include information regarding drug testing in those two documents.
- To help with communication and knowledge of our drug-testing program, I have created a separate packet that will be handed out to each student that represents GISD. This packet is entitled “GRAHAM ISD Extracurricular Activities Drug Testing Program.”

**RECOMMENDATION:**

I recommend the board approve amending FNF Local as presented.
