ADDITIONAL INFORMATION AND/OR BACK-UP:

Spring Branch ISD (SBISD) continues to set the bar for academic achievement, with eight of its schools earning a place on the Educational Results Partnership's (ERP) annual Honor Roll.

The Honor Roll program is part of a national effort to identify high-performing schools that are consistently improving student outcomes. It remains the only recognition program in the state that exclusively uses student achievement data as the criteria for selection and is awarded in collaboration with business leaders. This distinction highlights the dedication of SBISD educators, students, and families in fostering a culture of academic excellence and continuous improvement.

Congratulations to the following SBISD campuses for this well-deserved recognition:

- Cornerstone Academy
- Frostwood Elementary
- Nottingham Elementary
- Rummel Creek Elementary
- Spring Branch Academic Institute
- Valley Oaks Elementary
- Westchester Academy for International Studies
- Wilchester Elementary
