STUDENT/PARENT REUNIFICATION SITES

- The existing “Memorandum of Understanding” is valid through the 2025-2026 school year.
- Individual site plans, at each school, are reviewed annually and updated as needed
- The Principal, First Responders, site representative and the Safety & Security Coordinator work together to update our plans

SAFE SCHOOL TIP-LINE

- The District Wide Tip-Line was established during the 2014-2015 school year
- If you suspect or become aware of anyone planning or acting in any unsafe manner, please let us know. This includes, but is not limited to, the use or possession of drugs, knives, or guns and/or a threat to injure, bully, or assault others.
- Two ways of reporting
- Call 630-463-3990 or
- Go to www.geneva304.org/speakup.aspx
- Each Building's Website has a link to the Tip Line

RAPTOR VISITOR MANAGEMENT SYSTEM

- The Raptor System is an excellent way to manage visitors who are in district buildings
- The system requires an ID card to be scanned into the Raptor System.
- Raptor software compares the visitor's information against the National Sex Offender Data Base and any court orders, order of protections, etc. that parents provide to the schools.
- All buildings are equipped with Raptor equipment and appropriate staff are annually trained on the use of the software.
- Raptor accepts:
 - Driver's Licenses
 - State ID Cards
 - Active Military Cards
 - Passports

RAPTOR VISITOR MANAGEMENT SYSTEM

- Train new staff
- Conduct refresher training with administrative assistants and troubleshoot issues when they arise
- Manage the “Private Alerts” in the system
- Manage general maintenance issues and updates to the system

SECURITY CAMERAS IN THE DISTRICT

- All buildings currently have interior and exterior cameras
- They are used to monitor, prevent, deter, and assist in investigations when incidents occur
- It is my responsibility to make sure that the hardware and software are functioning properly
- When incidents occur, building administrators or myself can look back at the camera footage to try and ascertain if there is any footage that will help aid in the investigation.

REQUIRED DRILLS: OBSERVATIONS AND INVOLVEMENT

■ Observations:

- Teachers are wearing their orange vests and taking their “Emergency Red To-Go Kits”
- Administrators are taking their “Administrator To-go Kit”
- Administrators are ensuring the red and green cards are being used for accountability

■ Involvement by the Safety & Security Coordinator:

- Ensure procedures are being followed
- Ensure alarms and doors are working/closing properly
- Provide feedback to the administrators, faculty and staff

OTHER COMPLIANCE CHECKS THAT ARE CONDUCTED

- All exterior doors are secure during the school day
- All exterior doors are closing properly
- Custodian closets are closed and locked
- Fob readers are functioning properly
- Exterior ground perimeter checks
- Security cameras are working properly
- Background checks are conducted on all contractors
- Visitors are being checked in properly
- District wide Physical Security Assessment was conducted at all our buildings

STAYING UP TO DATE ON SAFETY AND SECURITY BEST PRACTICES

- Member of the School Safety Information Sharing Program through the Statewide Terrorism and Intelligence Center
- Participate in the Kane County Regional Office of Education Safety Team Meetings
- Subscribe to numerous school and campus safety and security newsletters and magazines
- View numerous webinars
- Attend school safety and security conferences
- Network with other professionals that are in similar positions in other districts
