Activities Director Notes:

- We lost our Appeal to remain in Division 2 for the WIAA Tournament Series for Boys' Hockey. We will be moving up to Division 1 next season.
 - Reason for Appeal not being accepted is that we need extenuating circumstances for our program to stay down. Since we had enough performance points, we were moved up as this is what the WIAA Membership voted on.
- Working with Wendell Quesinberry to solidify a Summer Swim Instructor and Aquatics Director Position. Everything is on track to move forward with the Summer Swim Program this summer.
- WIAA passed 4 Amendments at the Annual Meeting on Friday April 25.
 - Sportsmanship Class on NFHS required by any spectator or who is removed from a contest prior to attending any new WIAA events.
 - Unlimited Summer Contact for Coaches from June 1 - July 31 with a "Dead Week" from July 1 - July 6.
 - We have a Head Coaches Meeting on Wednesday May 7 to discuss Summer Schedule and limiting this to promote multi-sport athletes.
 - 9th Grade Teams are now allowed to play the max number of games as JV teams.
 - Name, Image, and Likeness (NIL) adapted into the WIAA Handbook
 - I will discuss this more in depth at the June Board Meeting.
 - Gives students an opportunity to make money based on who they are, without representation of the team, school, conference, or WIAA.
 - It does not change a lot of what was already occurring in the state, but there will be some further communication with Parents, Coaches, and Community Members around this as Students can still lose their Amateur Status and Eligibility if not followed correctly.
 - Voted down Cross Country Petition to remove Cross Country as a Team Sport from Competitive Balance Plan
 - Most ADs felt, we voted on this plan, lets collect data before we start removing and changing it.
 - It is only in its Second Year of Application
- May is a busy time, working on the following this month:
 - Fall Sports Sign Up for Middle School and High School
 - Activities Award Night
 - Hosting WIAA Sectional Softball Seeding Meeting
 - Completing the Summer Facility Calendar
- Weather was the name of the Game all April, very busy with make up dates and moving games around.

As always, if you have any questions or need additional information, feel free to contact me at any time!

GO HATCHETS!
