Save by Spending - Reward!

The bank rewards every processed signature based (non-pin) debit card purchase transaction over \$100 by depositing 0.25% of the amount of your purchase transaction into your account at the end of your statement cycle. If the checking account closes prior to the end of the statement cycle, the credit will be forfeited.

Save by Spending - Round-up!

The bank rounds-up every debit card transaction (pin or signature based) amount to the nearest dollar and transfers that change into a Peoples Bank & Trust savings account of your choice. Transactions are aggregated to post as one transaction per business day to the designated savings account. If there is not sufficient funds in the checking account memo ledger balance to cover the debit transaction to the savings account, the transfer will not occur.
