**July 25-27, 2022**

# Great Northern, Helena

## *"Did You Know"...Telling Your Story of Innovation*

The Conference will be held **July 25-27, 2022** in a blended delivery model with in-person at the **Best Western Premier Helena Great Northern Hotel** in **Helena** and virtually through Zoom. Please contact the hotel directly at **406-457-5500** to receive a room under the **2022 SAM AI** room block. We have two additional overflow room blocks at the Double Tree by Hilton Helena Downtown, 406-443-2200 and the Fairfield Inn & Suites by Marriot Helena, 406-449-9944.

The Conference will include three days of outstanding information and Focus Zones around:

- Recruitment and Retention of Quality Educators;
- Social, Emotional, and Behavioral Health; and
- Innovations in Education.

Keynote presentations will feature international innovator in education, **Dr. Bill Daggett** whose Successful Practices Network has been promoting innovation for our nation's schools for years, **Dr. Dave Schuler**, former national superintendent of the year and AASA president presenting innovations and SEL strategies for educators, a panel sharing the best of the strategies for the recruitment and retention of quality educators lead by **Dr. Angela McLean**, and two keynote presentations focusing on Social, Emotional, and Behavioral Health by **Andy Laue** and **Shawna Heiser**. Additionally, there will be 18 breakout sessions focusing on both local and statewide strategies to provide conference attendees with quick wins on resources and ideas to implement in your school as you plan the launch of the 2022-23 school year. Lastly, you will have many opportunities to connect with other administrators and SAM Business Partners through the conference. We suggest that you bring your whole school administrative team to the Institute so you can work together to plan for an outstanding 2022-23 school year for your community!
