A. EDUCATIONAL IMPACT STATEMENT

N/A

B. SCHOOL IMPROVEMENT GOAL STATEMENT

Red Rover offers a more up-to-date process of absence management that fits the needs of the district in ways that Frontline currently cannot. Switching to Red Rover would provide an improvement in the absence management system. Red Rover also offers applicant tracking and professional development tracking which we'd transition over from Frontline as well.

C. STATUTE, BOARD POLICY OR RULE STATEMENT

N/A

D. FISCAL IMPACT STATEMENT

COST: Annual Cost \$67,600; One Time Setup Cost \$12,850

SOURCE: HR and Business Office Local Funds

E. SUPERINTENDENT'S GOALS (check all that apply)

- ACCOUNTABILITY
- ENHANCED LEARNING OPPORTUNITIES
- ENSURE PARENTS AND THE COMMUNITY ARE ACTIVE PARTNERS IN THE PROCESS
- PROVIDE SAFE AND WELL-MAINTAINED SCHOOLS TO ENHANCE LEARNING
- RUN AN EFFICIENT BUSINESS OPERATION

F. IMPLEMENTATION AND ASSESSMENT PLAN

Red Rover will be implemented at a small scale to test the system and ensure it's working and that staff are adjusting to it properly. If the system is unsatisfactory through our testing period, the district will not move forward with Red Rover after July 1st.

ADMINISTRATION'S RECOMMENDATION

Administration would like to approve the contract with Red Rover to begin testing the system and seeing how well it works with our schools.
