Pretzel Positives

- Junior High softball and baseball have begun their fall seasons. It has been exciting to see our students back on campus interacting with each other and our coaching staff. Both programs are off to a great start.
- High School volleyball and football have started official practice to prepare for their upcoming seasons! Our first volleyball match is scheduled for August 26 at home vs. Sacred Heart Griffin with the first varsity football game scheduled for August 30 at home vs. Pleasant Plains.
- A shout out to our sports boosters and volunteers for putting on another successful Pretzel Open! We had 26 teams participate and a record number of hole sponsors. A big thank you for all of your support for Pretzel Athletics and our students!
- The High School Football team will travel to North Mac on Friday, August 23rd at 7:00 for the new IHSA week 0 football preseason scrimmage. They are asking for Gatorade donations as admission for the event and Pretzel fans can bring Gatorade and we will have a drop off there for donations that go to our football program.
