BOARD MEETING MEMORANDUM

Board Meeting Date: February 17, 2026

From: Amy Mahr, Director of Human Resources

Re: Intergovernmental Agreement with CHSD 117 Regarding the Teaching Education Pathway Program

Attachment(s) Intergovernmental Agreement with CHSD 117 Regarding the Teaching Education Pathway Program

Agenda Location: Consideration to Approve: Action items

Rationale:

Antioch High School's Director of the Little Sequoits Preschool and the Early Childhood Education Pathway requests a spring semester partnership with D34 elementary schools as part of the high school "Teach 2" practicum course. The proposed practicum would involve CHSD 117 high school students visiting once per week, beginning the week of Feb. 23, 2026. CHSD 117 students would support classrooms through small-group or one-on-one assistance, reading and listening activities, centers or guided play, specials, recess or lunch supervision, classroom preparation, or observation, with no expectation that teachers alter instruction.

Recommendation/Motion:

The Administration recommends that the Board approve the Intergovernmental Agreement with CHSD 117 regarding the Teaching Education Pathway Program to permit CHSD 117 students to attend CCSD 34 schools.
