### **2H.                      Action**

**TO:                      BOARD OF SCHOOL TRUSTEES**

**DATE:                      May 10, 2004**

**SUBJECT:                      RESOLUTION REGARDING PAYMENT OF COMMUNITY SERVICE ORGANIZATION DUES FOR IDENTIFIED ADMINISTRATORS**

The Board of Trustees recognizes that it is important for the school district to be involved in the community it serves. It also recognizes that one of its adopted goals is to..."provide for outreach to, and input from its communities." In recognition of these facts, there is a need for active participation by the administration of the school district in various community service organizations. As there are several community service organizations that support both the school district and the community at large, the Board resolves to allocate District funds to support these activities under the following guidelines:

The following positions may be funded through the annual budget:

- Superintendent (by contract)
- Deputy and Assistant Superintendents
- Director of Communications
- All Principals
- Other administrators as determined by the Superintendent

Individuals shall not be required to participate, but may do so as they determine the need.

Funding shall be limited to no more than \$750 per year per individual. The Superintendent shall ensure a broad representation of community service organizations. Maximum budget impact: \$25,500 per year. Funds will be budgeted in the individual's regular budget by approval of the Superintendent.

**The administration recommends that the Board of Trustees approve the resolution regarding community organizations as presented.**

Respectfully submitted,

Bill Newton Ed.D.  
Acting Superintendent
