Greg Irwin, Superintendent
Georgetown-Ridge Farm School Board

The Georgetown-Ridge Farm Educational Association is again asking for joint support in sponsoring the Personal and Professional Development Scholarship. One teacher scholarship and one support personnel scholarship, each in the amount of six hundred dollars, is to be chosen the middle of April and honored at the Teacher's Recognition Banquet on May 16. More than twenty individuals have benefited from these awards. We are very appreciative of the school board's support and we look forward to continuing these scholarships together.

Sincerely,

PPD Committee
