NEW BUSINESS

Discuss and make a motion to change financial software to Common Goals

NPT is currently using SDS/LINQ as our financial software. After meeting with a couple of different platforms, we feel that Common Goals is the best fit for NPT moving forward. LINQ Annual cost is \$5035.80. Common Goals Annual cost will be \$6000.00. We have been talking with LINQ regarding our current contract and the cost associated with keeping it for a few months during the transition. They may let us pay for the month of June in order to finish out FY25. They will not let us pay a monthly rate to ensure that we have everything we need during our audit. We are reaching out to others who have made the switch from SDS to Common Goals to see what that transition looked like. We are also working with Adam Mathias to ensure that we have all the reports needed from LINQ for our audit.

Motion by Bruley seconded by Miller to approve changing financial softwares to Common Goals as presented. Bruley - YEA, Doerr - Absent, Miller - YEA. Motion passes 2-0.

Mrs. Suey asked member districts what their policies or rules are regarding employees who are volunteer coaches. She specifically asked that if a volunteer coach needs to leave the school day early, are they allowed to like paid coaches? Both Mrs. Bruley and Mrs. Miller commented that the employee's first obligation is to the students so they are not allowed to leave early.

Mrs. Suey also added that she is looking into Public Act 103-0644 and if member districts could potentially receive reimbursement for students who are placed in the FACES program. Mrs. Suey also noted that the Embrace cost is increasing by 4% next school year.

REPORTS

Director's Report

The High Five Award Recipients for this month were Garnet Tucker and Taylorville North School. For Garnet's recommendation: "Garnet Tucker wrote a grant for Tornado's Coffee Cart. She was awarded the grant of \$3500 from the American Business Club of Springfield. This will help purchase some new supplies for her business!" For Taylorville North School recommendation: "I recently had a substitute paraprofessional tell me how welcoming North school is as a substitute. Starting with the secretaries in the office always having a smile and walking her to class. When she is in the hallways, teachers say "hello" and the teachers in the NPT REACH classroom are so welcoming and helpful! High Fives all around North School!"

Mrs. Suey reminded the Superintendents to keep in mind Paula Kluth's professional development opportunity for next school year. She asked if she can receive some possible dates in August and January and she can reach out to see if she is available. Upcoming FACES team meetings are scheduled for March 26 from 1:15-3:00 at THS on Basic Sign Language (pending) and DLM for Certified Teachers. Mrs. Suey is attending a PD on "Potty Training Individuals with Autism" on April 3rd and is continuing to attend the monthly DLM training in regards to the 1% CAP. She has completed, and submitted, the justification and assurance document and the official DLM plan to ISBE for Nokomis and Pana. Taylorville is not at the 1% threshold. The DLM window opened up on March 12 and will remain open until May 7th. Nokomis has 6 students, Pana has 8 students, and Taylorville has 11 students.

Mrs. Suey gave a FACES update. Mrs. Hott's class and the TJHS REACH students were able to eat at Motorheads on March 5th. Due to numbers next year, we are opening an additional elementary REACH Classroom at Taylorville North School. This will mean we will need to hire additional staff to cover these rooms. A staffing plan is attached to Mrs. Suey's report.

TCT and Caseload numbers are included for all three districts. There were no questions for Mrs. Suey.

Program Coordinator/Transition Report

As Program Coordinator, Mrs. Jones is scheduling 4th quarter Special Education Team Meetings, helping organize and finalizing Special Ed P/ACT and IAR testing and accommodations, working on the Special Ed Master Schedules for 25/26 school year, reviewing IEPs and attending IEP meetings. Letter of Resignation**Taylor Dahman (McArdle)**

To Kelly Suey
NPT
600 E. First Street, Pana IL, 62557

April 3rd, 2025

Dear Kelly Suey,

I am writing to formally resign from my position as Paraprofessional (Substitute) at NPT, with my last day working being April 3rd, 2025.

After spending several months substituting for NPT, I've had time to reflect on my career and its alignment with my life's purpose. I've concluded that my role as a paraprofessional and substitute should come to an end. I am grateful for the opportunity to continue substituting, especially considering past attendance issues this school year. However, I've recently reassessed my life's purpose and realized that the physical and mental demands of this job have taken a toll on me. While I've cherished working with every child, the challenges of this role have increasingly weighed on my mind. This job once felt perfect for me, and I loved it deeply. But as I sense my passion waning, I believe it's unfair to my team and the children not to be fully committed. They deserve someone consistently enthusiastic and dedicated. Unfortunately, I can no longer provide that at this stage in my life. I am very thankful, however, for the opportunity you gave me in this position, as it has offered valuable experiences I will always carry with me. It's rare to find a job today with such supportive colleagues and an amazing leader. Thank you for always being outstanding as my boss and constantly pushing me to be the best version of myself as a parapro I could be. Please let me know if there's anything else I need to submit beyond this letter. Thank you, again!

Sincerely,

Taylor Dahman

Single Student Services

Single Student Services are for students who need additional support and strategies to improve behavior. This service includes completion of a comprehensive FBA, data collection on behavior, and coaching for the educational team on how to improve the plan to get results. This level of support is focused on a single student's behavior and how to get better success.

Classroom Coaching

Classroom Coaching is a support system that can be provided to any educator in your district. Our BCBA will provide coaching for the individual teacher and support in getting strategies implemented to improve the classroom culture. We teach how to gain instructional control with students in the classroom. Coaching is delivered by a BCBA who teams up with the educator to provide modeling and feedback in the moment.

Teach. Train. Thrive.[®] Curriculum

The Teach. Train. Thrive. Curriculum is Professional Development for educators, created by an educator/BCBA. It's direct instruction on how to change behavior in the classroom. This curriculum can be delivered in a 1 day workshop or provided in webinar format.

classroom coaching model

What is
this
service?

Our Classroom Coaching Model was developed by a former classroom educator, current Board Certified Behavior Analyst. It's a service that provides 3 hours of coaching per week for 8 total weeks. Yearlong coaching is also available and often preferred for higher need classrooms.

Why
coaching?

Behavior has changed a lot in the last 10 years. Most educators were not given the tools needed to address the wide array of student behavior we see in classrooms. The field of behavior also has a rich wealth of research when it comes to skill acquisition, so our coaches are also able to contribute to classroom learning.

Who is LYC
Classroom
Coaching
For?

Every educator deserves a coach. Whether you're struggling with behavior, or you are having a great year. Whether you're a seasoned vet or first year educator. Whether you teach pre-k or high school. Every classroom has a unique culture. So our coaching model allows us to custom fit all advice to your individual space, rather than providing generic strategies. Our coaches listen to your preferences, get to know your classroom, and provide research based support to help you reach your goals.
