Re: Athletic Director Report- April, 2022

Baseball

Varsity and JV are currently 1-1 in SRV play. Their non conference schedule has been challenging, which is a good thing. Hopefully the challenging schedule prepares our program to make a run in conference play and hopefully to the state tournament.

JV team is doing well. We have a lot of new players but are developing quickly.

Softball

Varsity is 2-0 in SRV play. We have also scheduled a very difficult schedule for our very talented softball team. They have played very well so far this season. Looking forward to watching them play the rest of the season.

Golf

Golf had their first SRV match last week. Our varsity boys placed 1st overall. Tea Uranga finished 1st individually on the girls side of things. We have SRV matches every week from now until the first week in May. Golf has a total of 12 boys and 6 girls out. On the boys side of things, it is extremely competitive each week qualifying for the varsity lineup. It is fun to see how competitive these kids can be.

Track

Track has gotten off to a great start. We have a lot of kids out for track; almost enough to where we have to take two yellow buses to any event.

Tennis

Coach Michaelson is working hard at getting his team ready for districts in May. We only have 10 tennis players out.
