

LONG-RANGE NEEDS ASSESSMENT

School districts also need to develop a process for long-range needs assessment. The process needs to include three items.

- ◆ provisions for collecting, analyzing and reporting information derived from local, state and national sources;
- ◆ provisions for reviewing information acquired on the following:
 - state indicators and other locally determined indicators,
 - locally established student learning goals,
 - specific data collection required by state and federal programs;
- ◆ provisions for collecting and analyzing assessment data on the following:
 - state indicators,
 - locally determined indicators,
 - locally established student learning goals.
