SUMMARY OF COMMUNITY BENEFITS PROVIDED BY CHRISTUS SPOHN HOSPITAL ALICE, CHRISTUS SPOHN HOSPITAL BEEVILLE, AND CHRISTUS SPOHN HOSPITAL KLEBERG JANUARY 2016

Throughout the year, CHRISTUS Spohn Hospital Alice, CHRISTUS Spohn Hospital Beeville and CHRISTUS Spohn Hospital Kleberg (collectively, the "Hospitals") provide healthcare services to the residents of Nueces County and Region 4, including inpatient and outpatient hospital services at their facilities and other healthcare and educational services in clinics and throughout the community. As part of their collaboration with the Nueces County Hospital District ("the District"), memorialized in the Nueces County Indigent Care Affiliation Agreement, the Hospitals have agreed to provide the District reports summarizing the services they provide in the community. In accordance with the State of Texas' requirements for receipt of Medicaid supplemental payments under the Texas Demonstration Waiver program, the Hospitals and the District have certified that the Hospitals will not provide service summary reports more often than quarterly. Following is a summary report which provides an overview of the community services provided by the Hospitals in the three months ending December 31, 2015.

Hospital Services

The Hospitals provide a significant amount of uncompensated care to the uninsured residents of Nueces County and surrounding communities, and experience unreimbursed costs for these services totaling approximately \$18.4 million annually.

The Hospitals recognize the need to support community health improvement services as well as local charitable organizations and collaborate to reach out to the surrounding communities. This outreach includes contributing funding to community agencies, providing education services to health professionals, operating a mobile clinic under its Community Outreach program, providing supervision to healthcare students and providing free health screenings under its Cardiac Risk and Breast Care programs.

CHRISTUS Spohn Hospital Alice ("Alice")

- Alice provides a significant amount of uncompensated care to residents of Jim Wells County and surrounding communities, and experiences unreimbursed costs for these services totaling approximately \$8.9 million annually.
- Alice also provided over \$9.2 million in inpatient and outpatient charitable healthcare services to indigent patients of Region 4 over the last three months. Although Alice remains willing and able to provide charity hospital services to patients eligible for Nueces Aid, no Nueces Aid patients presented for services at Alice during this period.
- Alice recognizes the need to provide emergency services to all residents of the community, including low-income and needy patients, and provides these services

regardless of a patient's ability to pay. Alice has achieved a Level IV Trauma Center designation by the State's Bureau of Emergency Management based on the 24-hour access to emergency physicians, radiology, and clinical laboratory services that Alice offers the local community. Included as **Exhibit A** is documentation supporting Alice's provision of these services, encompassing 6,740 patient visits, of which 53% represent charity, Medicaid and uninsured patients.

- ➤ Alice recognizes that the state infant mortality rate exceeds 5% each year and the hospital is focused on reducing this rate. Through its superior pediatric facilities and newborn delivery services, Alice is proud to have brought 108 healthy babies into the world in the last quarter. Included as **Exhibit B** is information regarding these delivery services, of which nearly 88% represented charity, uninsured and Medicaid services.
- ➢ Patients requiring psychiatric services are often one of the most under-served populations in a community and Alice strives to ensure that these patients receive appropriate care. In response to the needs of the community, Alice established an inpatient psychiatric unit. Alice provided services to 42 inpatients in the past three months. Included as **Exhibit C** is documentation of the psychiatric services provided by Alice.
