Subject: Request for Approval to Offer CTE Innovative Course: IT Troubleshooting

Administrator Responsible:

Name: Annie Wolfe, Ed.D.

Position: Interim Associate Superintendent for Academics

Purpose of Agenda Item: Consent

ADDITIONAL INFORMATION AND/OR BACK-UP:

TEA offers Innovative Courses in a number of curricular areas that school districts may offer, with Board approval. These courses are developed by school districts and/or private organizations and can be taught by school districts throughout the State.

SBISD administration is requesting Board Approval to add IT Troubleshooting to our CTE course offerings. IT Troubleshooting will be paired with Computer Maintenance, and provide a more efficient way for student to become "completers" in Computer Maintenance Program of Study. The course will be taught at the Guthrie Center and be available to students throughout the district.

Date of Implementation: School Year 2024-2025
