**RE:** Consider Approval of a Resolution for low attendance waivers to maximize funding.

Texas Education Code Section 25.081 allows a district or campus to request that any instructional days with attendance at least ten (10) percentage points below the last school year's average attendance due to weather, health, or safety issues be excluded from ADA calculations for the current school year.

Wilson Elementary and Town Center Elementary both had one day that qualifies for a low attendance waiver, due to stomach flu.

Recommendation: That the Members of the Board approve the resolution for low attendance waivers.
