EXECUTIVE SUMMARY:

Bandera ISD administration has received a verbal commitment from a private donor to fund the construction and related costs of collaborative spaces in common areas at Bandera High School and Bandera Middle School. In order to develop preliminary plans for these projects, administration worked with Huckabee & Associates, Inc., to create conceptual visuals and opinions of probable cost for both the high school and the middle school. Huckabee & Associates has an extensive track record in the design and creation of collaborative spaces in schools. The qualifications of Huckabee & Associates will be presented to the Board during the meeting.
