

Lakeview School District Strategic Plan 2024-29

Vision Statement

Providing Tools for Life

Mission Statement

The Lakeview School District's mission is to equip each student with the tools needed for life by providing an education that is innovative, comprehensive, and individualized, creating experiences that challenge our students to achieve their full potential.

Belief Statements

- A. We believe students come first.
- B. We believe it is our responsibility to provide a caring, safe, and respectful learning environment.
- C. We believe that education creates a solid foundation for lifelong learning.
- D. We believe a comprehensive education extends beyond the classroom to include opportunities in academics, the arts, and athletics.
- E. We believe that as a child's primary educator, parents and guardians are responsible for and should play a positive role in their child(ren)'s education.
- F. We believe community members have an influence on our students' lives and encourage them to be positively involved in the education of our students.
- G. We believe in building a welcoming and cohesive community.
- H. We believe those in leadership have a responsibility to prioritize and invest resources to achieve district goals.
- I. We believe that bold leadership, creativity, and continuous innovation are imperative for excellence in education.
- J. We believe all those involved in serving the students of Lakeview deserve appreciation and support.

Goals

1. Provide and maintain a respectful, caring, and safe school environment.
2. Continuously improve achievement for all students.
3. Provide an individualized education by balancing the use of technology, traditional, and hands-on learning.
4. Promote opportunities for continuous staff development.
5. Enhance school, parent, and community collaboration.
