

Napi Elementary School

September 2025 Board Report

Napi's Vision Statement:

Napi Elementary School, a community of families, students, and staff will work to ensure the very best education for all our children through teaching, guidance, support, and structure.

Napi's Mission Statement:

Napi Elementary School is committed to providing high-quality instruction and support to promote the highest achievement of all students, both academically and behaviorally.

Back To School Water Day

A huge shout-out to Napi's TA and Specialists Team for coordinating the first Water Day event of the 25-26 school year! Students enjoyed the afternoon engaging with each other and playing at the various activities!

Open House

Shout-out to Napi's Team for hosting a wonderful Open House on August 20th! Shout-out to the students and parents for their participation! Students met their teachers and received a backpack with school supplies.

First Week of School

Students enjoyed the first week of school participating in team-building activities, social-emotional activities, and learning safety processes and routines for inside and outside of the classroom. Thank you to Mrs. Hoyt for creating fun back-to-school dress-up themes for the first seven days of school!

Instructional Coach--Submitted by Mrs. Wagner

The first few weeks of August saw the Napi SBE committee preparing for the upcoming school year. We worked on aligning our standards to instruction in ELA, writing, math, science, and social studies. Pacing guides were created, and the Padlet was populated with valuable information regarding the beginning of the school year. Staff were able to prepare for the first two weeks of instruction, allowing for all routines and procedures to be put in place. All three new teachers at Napi Elementary School were in attendance during SBE week, which provided us an opportunity to meet and discuss my role and responsibilities as the Instructional Coach. Things are off to an excellent start to the new school year! Welcome Back!

Counseling Center--Submitted by Mr. Andreas/Ms. Roberts

The school year is off to a good start and we would like to welcome Ms. Joetta Roberts to the counseling team as our Social Emotional Learning (SEL) Specialist. Ms. Roberts brings a counseling background from multiple agencies and years of experience in our community and will provide SEL instruction to all of the students at Napi Elementary. Welcome, Ms. Roberts!

It is currently the first week of the 2025-26 school year and we already have the Second Step Classes going for all 4th and 5th grade students as part of the specials' rotation. We will be focusing on the topic of Empathy & Respect for the first quarter of the school year, and the students will participate in 10 lessons on the subject. Additionally, we are helping students with lockers and making sure they know our safety/emergency procedures in the building.

Starting the Wednesday after Labor Day, both Ms. Roberts and I will be working with the Building Secretary and Attendance Specialist to try and get all students back to school. Mrs. Birdrattler will be printing a list of all students who have not shown up for school yet, and we will be making phone calls and running out enrollment packets to get them in school as soon as possible. We are hoping that by being proactive, we can maximize the time that each student spends learning in the classroom.

Sports--Submitted by Ms. CalfBossRibs

We are fortunate to have Mishayla CalfBossRibs as the Napi Activities Coordinator for the school year! To date, she has provided the following information regarding Napi Sports.
