Character Education Outstanding Student of the Month

The Keller ISD Community of Character program is structured to identify one character trait per month and integrate the character traits into curriculum through activities in individual classrooms to school-wide events.

Dylan Wickham, a sixth-grader at South Keller Intermediate School, is the KISD Community of Character Outstanding Student of the Month for the month of January. The character trait for January was Respect. He was nominated by his teacher, Carla Wright, and his counselor, Therese Cox.

Dylan shows respect and tolerance for everyone. He has been seen regularly taking care of the other students by befriending all of his classmates and treats peers in a way that he wants to be treated.
