

## **Request for Approval of the 2020-2021 Synchronous Instruction Attestation**

The district must submit an attestation that it is prepared to offer synchronous instruction before funding will flow for synchronous attendance. Synchronous instruction is defined as two-way, real-time, live, instruction between teachers and students through the computer or other electronic devices or over the phone.

The Superintendent and the Board must attest that the attached commitments are being met as of the date the attestation is submitted.
