HIGH POINTE ELEMENTARY  
4<sup>th</sup> GRADE – MRS. CHURMAN

Serena Watson is a fourth grader in Mrs. Churman's class at High Pointe Elementary. She has been at High Pointe for four years. Serena has a big family with thirteen people. Her favorite activity with her family is dining out at community and local restaurants. Serena's dream is to go to Baylor University to become a doctor. She'd really like to be a Family Practitioner.

Her hobbies include reading, writing, singing, and dancing. She is also a part of the drama club at High Pointe Elementary, is a member of the boys and girls club, Park in the Woods, and a member of the Star Visions Production.

Serena loves being at school because of all the new people she gets to meet every year. She loves typing in computer class, learning new things, and listening during Social Studies. Her favorite subject though is Reading. Her favorite teacher is Mrs. Raef because of her smile.

Serena's teacher, Mrs. Churman, is very proud to have such a hard-working student in her class. Serena's teachers and peers say that she is kind, friendly, and fun to be around. She is very calm, and just like the name, Serena, she is very serene. Serena's parents love how hard she works towards being an all A's student. Serena certainly is a shining Star Student!
