

Graham Independent School District

Board Agenda Item Synopsis

Subject: Update on Policy CQD Update and Associated AI Guidelines for 2026-2027

Background Information:

Graham ISD Policy [CQD \(Local\)](#) addresses technology resources, specifically Artificial Intelligence (AI) and the associated use of AI in Graham ISD (Adopted in Update 126 in December 2025). The Graham ISD Technology Department, is working to create AI Guidelines for Graham ISD. This document will outline the guidelines for the ethical and effective use of Artificial Intelligence (AI) in Graham ISD to enhance teaching, learning, and administrative functions while ensuring data privacy, equity, and responsible AI usage. AI Guidelines will be embedded in the Student Handbook, Staff Handbook, and posted on the Graham ISD website.

Administrative Consideration:

These AI guidelines will apply to all students, teachers, administrators, and staff in GISD utilizing AI tools and technologies in classrooms, assessments, administrative operations, and decision-making processes. By following these guidelines, GISD can harness the benefits of AI while safeguarding students' rights, promoting ethical AI use, and maintaining educational integrity.

Budgetary Impact:

None

Alignment to District Goals:

- 1. **Academics:** All students will be prepared for success at the next level.
- 2. **Our People:** Recruit and retain highly qualified employees at all levels.
