## News from Mr. Regal

Volume 1, Issue 8

April 1, 2017

Welcome Back Evergreen Families,

Hopefully everyone had a "SPECTACULAR" spring break and are "OUR" students are ready to finish up the school year on a positive note; academically, behaviorally, and socially. We have just over 2 months left before summer is here and still have a lot of learning to cover during this time.

I wanted to remind parents, why Attendance matters with our kids:

*If children don't show up for school regularly, they miss out on fundamental reading and math skills and the chance to build a habit of good attendance that will carry them into college and careers. Preliminary data from a California study found that children who were chronically absent in kindergarten and 1st grade were far less likely to read proficiently at the end of 3rd grade.*

Please help us educate and prepare you children for their future by making sure they are at school on a regular basis this year and in the future!!!!!!

Thanks in advance for your help in making school a priority in your child's life.....

*Please continue supporting our staff, school, and your children as we finish this 2016-17 school year.....*

David Regal

## Regal's RED HOT TOPICS

### Volunteering at Evergreen

Spring time is a very busy time here at Evergreen and I just wanted to remind parents that if you are planning on volunteering at school or going on a field trip with your child's class, you must fill out the appropriate paperwork in the office at least a 2 weeks before you plan on volunteering. If you have any questions regarding volunteering at Evergreen, please contact us at 541-592-3136.....

# Dr. Seuss

Celebrating "Read across America" day.

Dr. Seuss's spirit was alive and well here at Evergreen. We had a week of fun dress up activities and the students all received a free book thanks to the Rotary club.

Q: What did one penny say to the other penny?  
A: "Let's get together and make some cents."

# AWESOME

This year, we raised over \$2,600.00  
in the Penny Drive!

Congratulations Miss Keil's class for  
raising the most money!

## Has your child been sick, running a fever? Are they throwing up?

*It has been a very busy season for illness and we wanted to send  
along a few reminders:*

If your child has been vomiting, or running a fever, they can't be in school. If they have been home because of these they can't be here until 24 hours after their last episode. This also applies to antibiotics. Your child will need to have a full 24 hours on them before they can be back in school.

Also, if your child has been absent due to illness, please make sure to send a note with them when they return so they can have the absences excused.

## Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools. If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at 541-862-3111 x 5202.
