MEMORANDUM

TO: Woodbridge Board of Education
FROM: Jonathan S. Budd, Ph.D., Superintendent
DATE: March 14, 2022
RE: March 21 Regular Meeting:
Act on 2022/23 Food and Beverage Exemptions

Presuming an affirmative vote on the prior recommended motion, the Board must certify whether the Woodbridge School District will allow food and beverage exemptions for 2022-23. I endorse Food Services Supervisor Roddy's recommendation that the Board of Education support the following motion:

The Woodbridge Board of Education will allow the sale to students of food items that do not meet the Connecticut Nutrition Standards and beverages not listed in Section 10-221q of the Connecticut General Statutes provided that the following conditions are met: (1) the sale is in connection with an event occurring after the end of the regular school day or on the weekend; (2) the sale is at the location of the event; and (3) the food and beverage items are not sold from a vending machine or school store. An "event" is an occurrence that involves more than just a regularly scheduled practice, meeting, or extracurricular activity. For example, soccer games, school plays, and interscholastic debates are events, but soccer practices, play rehearsals, and debate team meetings are not. The "regular school day" is the period from midnight before to 30 minutes after the end of the official school day. "Location" means where the event is being held and must be the same place as the food and beverage sales.
