Item Name: DISCUSSION OF USE OF 2017 BOND AVAILABLE FUNDS FOR PORTABLE BUILDING MOVES

Item Summary: This summer the Maintenance and Operations Department and the Technology Department need funds to complete portable building moves. These moves are for growth and involve the following campuses: Foster High School, Briscoe Junior High School, Wright Junior High School, Roberts Middle School, Morgan Elementary School and Tamarron Elementary School. These portables are to be moved from Huggins Elementary School, Hubenak Elementary School, Culver Elementary School, Meyer Elementary School, Ryon Middle School, Smith Elementary School and George Ranch High School. The total is not to exceed \$3,000,000 from the 2017 Bond Available Savings Fund.

Recommendation: The administration recommends that Board of Trustees approve the funds to complete portable building moves be funded by the available savings from the 2017 Bond referendum.
