2016-2017 Campus Improvement Plan for Joe Dale Sparks Campus

Denton Independent School District

Mission Statement

Denton Independent School District's Mission Statement

Denton ISD: Empowering lifelong learners to be engaged citizens who positively impact their local and global community.

Joe Dale Sparks Campus's Mission Statement

The Sparks faculty and staff are committed to keeping detained students current with home ISD schedule, providing all students from many districts a state-recognized curriculum, and ensuring that all courses count towards graduation.

Board Goals

Denton Independent School District's Board Goals

I. Vision ... In pursuit of excellence, the district will:

- cultivate a network of professional learning communities addressing the educational needs of every child in our district
- · develop and maintain a culture where learning remains our first priority
- remain committed to providing equitable and outstanding opportunities for every student on every campus
- establish goals for individual campuses that incorporate both measurable and intangible factors
- develop a budget focused on student and professional learning
- effectively communicate achievements and recognitions to the Denton ISD community
- prepare our students to be successful in a global society while instilling an appreciation for community service

II. Teaching & Learning... In pursuit of excellence, the district will:

- cultivate a consistent, strong, district-wide balanced curriculum based on ongoing needs assessments that supports all students
- establish high expectations with a curriculum that fosters inquiry and critical thinking
- develop academic skills and interpersonal relationships necessary for student success in college, the workplace and for life.
- expect full curriculum implementation on each campus by instructional leaders
- establish quality staff development programs that promote professional learning communities
- strive to deliver all academic programs through teachers possessing advanced degrees and demonstrable competence in their areas of professional responsibility
- stay abreast of and incorporate best practices into teaching, learning, technology and leadership
- advocate and practice true accountability based on measurement of individual student progress over time, regardless of external mandates
- actively pursue, foster and support an advanced digital learning environment

III. Climate... In pursuit of excellence, the district will:

- celebrate, respect, and promote the value of diversity in our Denton ISD Community.
- encourage and nourish a safe learning and compassionate working environment which ensures open and transparent communication and is supportive, cooperative, and ethical.
- establish a high expectation level for success for all students, staff, parents, and community
- instill in students a love of life-long learning
- motivate and prepare students to embrace their full responsibilities and obligations as active citizens of their community, nation, and world

IV. Parent and Community Involvement...In pursuit of excellence, the district will:

- foster a positive and welcoming environment that encourages parent and community partnerships to achieve success for all our students
- work continuously with the community in planning and facility development
- utilize citizens' advisory committees to focus on short and long-term tasks
- provide support services and promote health, wellness and safety for students and families
- establish and promote programs to develop and enhance parenting skills and participation in the schools
- promote child advocacy across the state and nation

V. Human Resources...In pursuit of excellence, the district will:

- develop and expect a consistently high level of, and respect for, professional performance by all staff
- recruit, select, employ and retain teachers in every classroom because of substantive experience in the discipline they teach, rather than in auxiliary functions
- maintain a diverse workforce with respect to qualifications, expertise, and commitment to excellence
- encourage all teachers and staff to pursue advanced professional development and degrees within their specialty area
- promote health and wellness in our workforce

VI. Growth, Change & Fiscal Responsibility...In pursuit of excellence, the district will:

- review and adjust policies and procedures as appropriate to address the challenges of rapid growth and changing demographic characteristics while maintaining and enhancing our strong sense of community
- create and continuously modify strategies to mitigate increasing stresses on our children, our schools, and our community
- be environmentally responsible and aggressively pursue energy efficiency and conservation principles in building design, transportation alternatives, and operating procedures
- work continuously with our community to adjust and enhance district goals as appropriate
- demonstrate effective and efficient management of district resources
- provide leadership and/or oversight to ensure District meets all fiscal, legal and regulatory requirements.

Campus Improvement Plan 4 of 39 10/6/16

Campus Improvement Plan Joe Dale Sparks Campus

Progress Report Date:

WIG 1

90% of Sparks students enrolled for at least 50% of the grading period, will function at the TIER I Level of the RTI Universal Screening and Progress Monitoring System.

| Lead (Action Steps) | Persons Responsible/Resources | TI SW | Evidence of Implementation | Evidence of Impact | Progress Monitoring |
|--|---|--|--|---|--|
| Acquire appropriate materials to improve and support instruction for students and/or teachers utilizing Title I, Part D, Subpart 2 funds, which are to designed to (1) improve educational services for children and youth in local and State institutions for neglected or delinquent children and youth so that they have the opportunity to meet the same challenging State academic content and State student achievement standards that all children in the State are expected to meet; (2) provide these children with services to enable them to transition successfully from institutionalization to further schooling or employment; and (3) prevent at-risk youth from dropping out of school as well as to provide dropouts and children and youth returning from correctional facilities or institutions for neglected or delinquent children and youth, with a support system to ensure their continued education. 2016-2017 Comprehensive Needs Assessment Summary

In accordance with state and federal legislative requirements, the staff at Joe Dale Sparks Campus conducted a comprehensive needs assessment for the 2016-2017 school year. Data and findings from the comprehensive needs assessment were then used to develop the activities/strategies in the additional sections of the Campus Improvement Plan.

Student Achievement

Student Achievement data refers to the annual and longitudinal reviews from varied sources of formal and informal data. These data provide insights about the degree to which students are acquiring the knowledge and skills expected for each grade level and course of study.

Potential Data Sources:

- State Assessment Data
- LEPAS and AMAO Results
- SAT/ACT/PSAT Results
- Advanced Course/Dual Enrollment Data
- Standardized, Norm-Referenced, Criterion-Referenced Tests and Measures
- State and AYP Data Tables
- Texas Success Initiative (TSI) Data
- Course/Class Grades
- Graduation, Completion, Droupout, and GED Rates; Diploma Types
- Promotion/Retention Rates
- Classroom and Program Assessments and Other Data
- Student Work

Data Sources Reviewed

We want to gather and analyze data that will help us understand the system that produces the results we are getting. We also want to move our district continuous improvement efforts from random acts of improvement to focused improvement that centers on our ultimate purpose: improving learning for all students. – Victoria Bernhardt

| List the actual data sources reviewed below. | |
|---|--|
| State Assessment Data, TELPAS, WRAT-IV test, Graduation | |
| Rates | |
| | |
| | |

See page 8 of the guide for probing questions related to Student Achievement

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths

- 85% of long term students gain more than 1 grade level in reading.
- 55% of long term students gain more than 1 grade level in mathematics.
- Two students have earned enough credits to complete high school graduation.
- The Fall passing rate for English I and English II EOC was 70% for long term students compared to 40% last year.
- 30% of Detention students were able to earn credit an additional ½ credit because of the addition of the Art teacher, which allowed them to stay enrolled in that course.

Needs

- 79% of all attempted credits were earned in the Fall, compared to more than 90% last year. This only includes students who were here for more than 1 grading period.
- Only 80% of long term students have been able to earn at least $\frac{1}{2}$ credit in credit recovery, compared to 90% of students earning 1 or 1 $\frac{1}{2}$ credits last year.
- Continuing from last year, there is a major achievement gap in both credits earned and state assessment scores between all students and LEP students.

Summary of Needs

- · Expand the Art class into Detention.
- Make Odysseyware more widely available to all students.
- Continued ESL support for LEP students.
- More re-teach/re-test opportunities before Finals are given.

Demographics:

Demographics refer to the characteristics or make-up of the school and help us understand who we are currently working with and how we implement strategies, initiatives, programs and services to meet their needs.

Potential Data Sources:

- Enrollment
- Attendence
- Ethnicity
- Gender
- Mobility/Stability
- Special Program Participation
- At-Risk by Category
- Teacher-Student Ratios
- Graduation, Completion, Droupout and GED rates
- Course/Class Assignments
- College/University/Dual Credit/Advanced Placement Enrollment

Data Sources Reviewed

Demographic data are very important for us to understand as they are part of our educational system over which we have no control, but from which we can observe trends and learn for purposes of prediction and planning. – Victoria Bernhardt

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

| Strengths | Needs |
|---|--|
| 1. Bilingual personnel | Additional Special Education personnel, either a third teacher or a SpEd specific aide |
| 2. Multi-certified teachers | 2. Additional hours for Art Department |
| 3. Multiple electives offered | 3. After hour tutors for all students |
| 4. Summer School | |
| 5. Odyssey Ware | |
| | |
| Summary of Needs | |
| 1. Currently 27% of our population receives some sort of spec | sial services. The number of students that come from SAC |

students cannot be met with only two special ed teachers.

2. Currently the Art Department serves all of Courage to Change students and Detention students when they enter our campus enrolled in Art. With an increase of hours, all students could receive Art as an elective.

classes has dramatically increased this year. If we have more than two of these children at a time, the needs of other

- 3. This year we had two students graduate from our campus. We are increasingly receiving students close to graduation. If we want to be able to properly serve students, we must be able to offer courses that are required for graduation, such as Fine Arts.
- 4. Students on Sparks Campus are usually behind by at least one school year. This causes deficiencies in their education. These deficiencies need to be addressed through opportunities such as Odyssey Ware, summer school, and after hours tutoring. Offering these opportunities also increases the chances of more students being able to graduate.
- 5. These programs need to be available for all students on Sparks Campus. Currently, only Courage to Change students have the opportunity to use Odyssey Ware on a regular basis, attend Summer School, or have after hour tutoring. These opportunities need to be made available to all students regardless of what program in which they are housed.
- 6. Obviously none of these needs can be met without an increase in our funding.

School Culture and Climate

School culture refers to the organization's values, beliefs, transitions, and customs which shape the personality and climate of the organization. It determines how parents, community, staff and students feel about the school and affects how people interact within the system

Potential Data Sources

- Surveys
- Questionnaires
- Focus Groups
- Interviews
- Feedback Data
- Classroom and School Walkthrough Data
- Parent Conferences, Meetings, etc.

Data Sources Reviewed

Culture is the underground stream of norms, values, beliefs, traditions, and rituals that build up over time as people work together, solve problems, and confront challenges. This set of informal expectations and values shapes how people think, feel, and act in schools. – Author unknown.

| List the actual data sources reviewed below. | |
|--|--|
| Interviews, Survey, Walkthroughs | |
| | |

See page 9 of the guide for probing questions related to School Culture and Climate

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

| Strengths | Needs |
|--|--|
| Peer Support, Dedicated teachers, Small classes, Freedom to teach creatively | Morale, Scheduling, more staff, communication professional development, logical leadership, cohesiveness of campus, lack of trust, recognition of uniqueness |
| | |

Summary of Needs

- 1). Improve morale and cohesiveness of campus- team building—local funds needed
- 2) Scheduling- too many subjects taught in one class—Title 1 funds (or new organization
- 3) District to recognize the uniqueness of the campus situation—no funds needed
- 4) More input into campus decisions and control over department decisions—no funds needed
- 5) Protected planning periods—this would involve more communication for scheduling—no funds needed
- 6) Less interruptions during class—involves school and county agreements with principal enforcing—no extra funds needed
- 7) More responsible/logical use of money—involves new guidelines--no extra funds needed

Staff Quality, Recruitment and Retention

Staff Quality, Recruitment and Retention refers to the school organization's level of high-quality, highly-effective staff, particularly in high-poverty schools. This area is also focused on assessing the effect of recruitment and retention strategies on staffing patterns

Potential Data Sources

- Teacher Certification/Qualification Data
- Paraprofessional and Other Staff Qualifications
- Staff Effectiveness in Relation to Student Achievement
- PDAS and/or Other Staff Effectiveness Data
- Staff Mobility/Stability
- Special Programs Qualifications; e.g., Bilingual/ESL/, Special Education, etc.
- Professional Development Data
- Teacher-Student Ratios
- Graduation, Completion, Dropout, and GED rates
- Course/Class Completions, Grades, and Other Data
- · Recruitment and Retention Strategies and Other Data

Data Sources Reviewed

An empowered organization is one in which individuals have the knowledge, skill, desire, and opportunity to personally success in a way that leads to collective organizational success. –Stephen Covey

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school.

Strengths Needs

| - Our campus has very experienced teachers | - Training specific to our population |
|--|---------------------------------------|
| who also bring varied life experiences which is very helpful to our students | - Full-time Detention aide |
| - Our teachers have multiple certifications | |
| - The teachers meet regularly to discuss student issues | |
| - The turnover rate of the staff is low | |
| Summary of Needs | |
| - Specific training designed to meet the challenges of teachir | g in our unique environment |
| - Full-time Detention aide | |

Curriculum, Instruction and Assessment

The curriculum/curricula collectively describes the teaching, learning, and assessment materials and resources available for a given course of study. These are aligned with the TEKS and other standards, incorporating instruction and assessment processes.

Potential Data Sources

- Standards-Based Curriculum Resources and Materials
- Scope and Sequence, Pacing Guides; and/or Other Focus Documents
- Foundation Course/Class Materials
- Enrichment Course/Class Materials
- Technology
- Instructional Design/Delivery; High-Yield Strategies
- Lesson Study/Delivery Processes
- Collaborative Horizontal and Vertical Team Alignment Processes
- Student-Specific/Differentiated Strategies and processes
- Common benchmark Assessments and/or Other Assessments
- Class, School, and Special Program Schedules

Data Sources Reviewed

There are three kinds of curricula; they must be considered together and improved together: written curriculum, taught curriculum, and tested curriculum. – Fenwick English

List the actual data sources reviewed below.

| Standards-Based Curriculum Resources and Materials | Instructional Design/Delivery; High-Yield Strategies |
|---|--|
| Scope and Sequence; Pacing Guides; and/or Other Focus Documents | Lesson Study/Delivery Processes |

Findings/Analysis

"The real voyage of discovery consists not in seeking new landscapes, but in seeing with new eyes."

Look for patterns in the data that reveals trends or insights about the district/school. A brief statement for each of the dimensions helps introduce or frame the discussion of trends which emerge in the data, particularly across data sources. Identify below statements about the strengths, as well as the priority need areas of the district/school. 10/6/16

| Strengths | Needs |
|-------------------------------|--|
| Use of laptops | Increased technology budget for updating hardware(i.e. laptops/software) |
| Use of iPads/tablets | Connection for iPad to projectors |
| Use of Chromebooks | AirPlay/AirServer |
| Use of interactive projectors | Digital microscopes |
| Interactive software | |

Summary of Needs

The additional training of staff and implementation of software will allow students and teachers to access multiple tools and resources associated with the curriculum used in the classroom.

Comprehensive Needs Assessment Summary of Priority Needs Joe Dale Sparks

Demographics:

- 1. Currently 27% of our population receives some sort of special services. The number of students that come from SAC classes has dramatically increased this year. If we have more than two of these children at a time, the needs of other students cannot be met with only two special ed teachers.
- 2. Currently the Art Department serves all of Courage to Change students and Detention students when they enter our campus enrolled in Art. With an increase of hours, all students could receive Art as an elective.
- 3. This year we had two students graduate from our campus. We are increasingly receiving students close to graduation. If we want to be able to properly serve students, we must be able to offer courses that are required for graduation, such as Fine Arts.
- 4. Students on Sparks Campus are usually behind by at least one school year. This causes deficiencies in their education. These deficiencies need to be addressed through opportunities such as Odyssey Ware, summer school, and after hours tutoring. Offering these opportunities also increases the chances of more students being able to graduate.
- 5. These programs need to be available for all students on Sparks Campus. Currently, only Courage to Change students have the opportunity to use Odyssey Ware on a regular basis, attend Summer School, or have after hour tutoring. These opportunities need to be made available to all students regardless of what program in which they are housed.
- 6. Obviously none of these needs can be met without an increase in our funding.

School Culture and Climate:

- 1). Improve morale and cohesiveness of campus- team building—local funds needed
- 2) Scheduling- too many subjects taught in one class—Title 1 funds (or new organization
- 3) District to recognize the uniqueness of the campus situation—no funds needed

Student Achievement:

- Expand the Art class into Detention.
- Make Odysseyware more widely available to all students.
- Continued ESL support for LEP students.
- More re-teach/re-test opportunities before Finals are given.

Teacher Quality:

- Specific training designed to meet the challenges of teaching in our unique environment
- Full-time Detention aide

Campus Improvement Plan 27 of 39 10/6/16

- 4) More input into campus decisions and control over department decisions—no funds needed
- 5) Protected planning periods—this would involve more communication for scheduling—no funds needed
- 6) Less interruptions during class—involves school and county agreements with principal enforcing—no extra funds needed
- 7) More responsible/logical use of money—involves new guidelines--no extra funds needed

Curriculum, Instruction and Assessment:

Title 1 funds for professional development, instructional aides, and tutoring.

School Content and Organization:

Create schedule to allow cooperative learning

Better communication regarding faculty/staff duties

Update MOU to improve physical environment in detention

More on-site staff development time

Family and Community Involvement:

Bilingual special education teacher added to Sparks staff to facilitate coverage of students and communications with families.

Technology:

The additional training of staff and implementation of software will allow students and teachers to access multiple tools and resources associated with the curriculum used in the classroom.
