Re: Head Boys' Basketball Coach

Please accept this as my letter of interest regarding the Head Boys' Basketball Coaching position at Waskom High School in the Waskom Independent School District. I am currently teaching Math at Dekaney High School for the Spring Independent School District and also serve as the Associate Head Girls' Basketball Coach. I believe through my past experiences, I would be an asset to the Waskom High School Basketball Program as well as the entire Athletic Program. I have had the opportunity to observe a variety of leadership skills which has helped prepare me for my future. I consider myself to possess the necessary communication, administrative, organizational and leadership skills to be successful in this position.

I believe being a coach is one of the most rewarding jobs in dealing with young people. We have an opportunity to mold and shape the lives of our players and students in a positive way through our actions and words. It is my passion to enable students to grow in character, integrity and self confidence through the avenue of basketball.

I feel that this position offers an opportunity to build relationships with students, parents, and teachers from diverse cultural backgrounds. I would offer fairness, consistency and discipline to the program while presenting a positive role model in order to help build successful students both on and off the court. It is with this desire in mind that I apply for this position.

Sincerely,

Michael H. Storms
