4-21-2010

Waskom Independent School District  
Attn: Mr. Jimmy Cox, Superintendent  
P.O. Box 748  
Waskom, Texas 75692

Dear Mr. Cox:

The following figures are for the School Resource Officer Program offered to WISD for the next 3 years - Waskom Police Department - 50% and WISD – 50%.

1<sup>st</sup> year 2010 / 2011 – 50% of salary of \$48,136.00 = \$24,068.00  
2<sup>nd</sup> year 2011 / 2012 – 50% of salary of \$49,580.08 = \$24,790.04  
3<sup>rd</sup> year 2012 / 2013 – 50% of salary of \$51,067.48 = \$25,533.74

The years 2010 – 2013 is based on a 3% raise each year.

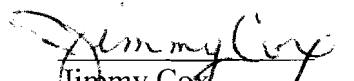

The School Resource Officer was hired by a Universal Grant Hiring Program provided by the government to help establish help for small cities by providing a salary income for hiring a new officer. This grant was used by the Police Department and WISD paying this officer's salary.

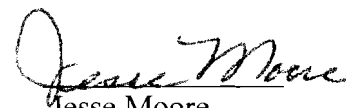

The Waskom Police Department understands that the school could not utilize an officer for a 12 month period. However, the Waskom Police would like to utilize the officer for the remaining months during the school recess period. Therefore, after the end of the 3 year period, the Waskom Police would like to make arrangements with the WISD to continue this officer's work in the WISD and on the street by arranging to carry a percentage of this officer's salary. A contract of this nature could be arranged at the end of the 3 year period.

The Waskom Police Department will provide all the uniforms, police equipment, and patrol vehicle for this officer during the next 3 year period and if arrangements are made after the 3 year period, the Waskom Police will continue to do so.

Sincerely,

  
Rex Hawsey  
Chief of Police

  
Jimmy Cox  
WISD Superintendent

  
Jesse Moore  
Mayor of Waskom
