Background Information

The Board of Trustees established the Facility Advisory of Citizens, Teachers, and Students (FACTS) Committee to study the districts current facilities and needs for the future. The group, consisting of 50 people, held their 3rd meeting on April 30th. After an overview of construction costs, the committee toured the Ninth Grade Center and the Grizzard Regional Institute of Technology (GRIT). The committee then heard presentations regarding CTE and GRIT, and a financial overview. The committee will meet each month through July with the intent of making a recommendation to the Board of Trustees a long-range facility plan and potential scenarios for a November 2025 bond election to meet the needs of the District.
