

Consider approval of  
District-Wide Dumpster Service

1. Background:

Since 1996, the District has contracted with Waste Management for dumpster/trash collection services and over the past three years, the District has paid Waste Management the following amounts for these services:

- 2022-2023 - \$123,000.00
- 2023-2024 - \$166,000.00
- 2024-2025 - \$162,000.00

2. Process:

The Texas Interlocal Purchasing System, a purchasing cooperative was used to procure the services provided by Waste Management.

3. Fiscal Impact:

The dumpster/trash collection services will cost the District approximately \$208,000.00. Budgeted funds used from the General Fund are used for this service.

4. Recommendations:

District staff recommends the Board approve a contract with Waste Management for dumpster/trash collection services at a cost of approximately \$208,000.00.

5. Required:

Board action.
