parents/guardians to communicate.

Last year, we used ClassTag as our teacher-to-parent communication tool. However, after the feedback we received, it was clear parents wanted a change. We will now use ParentSquare. It offers a streamlined and user-friendly experience with features that enhance communication and engagement.

ParentSquare automatically generates an account for each parent, using their preferred email address and phone number. The accounts are generated regardless of when a parent enrolls their child. This platform is strictly for teachers and parents. The district and campus principals will continue using the current mass notification system to share information.

***NOTE for Current Families:** Accounts have been preloaded with parent and student information from the 2023 - 24 school year. As we transition to the 2024 - 25 school year, new information (updated grade levels, contact information, and student profiles) will automatically be uploaded to your account, ensuring a seamless and hassle-free process.

Below is more information about ParentSquare and links to videos/training materials.

Khan Academy

A great resource for students is the Khan academy. The organization has resources for most students grades and specifically high school. Most high school subjects are supported.

In a [recent study](#), students were over twice as likely to meet grade-level standards with Khan Academy. Districts across the country are partnering with us to ensure all their students succeed.

The link to Khan Academy is located at www.khanacademy.org

Attendance Matters!

Excessive absences place your child at risk of losing credit for the semester or the year. State law requires at least 90% attendance which allows for only 9 absences each semester of the school year to gain credit or be promoted. Attendance has a direct impact on a student's ability to learn.

Jarrell High School Song

For Jarrell High, we'll always be in line,
For blue and white forever, we will shine,
We cherish every wall, and all that's here,
And ne'er forget to BOOST and CHEER!
So let us bow to dear old Jarrell High,
And let our song swell up to the sky,
We'll fight for all that stand for
TRUTH and RIGHT
TRUTH and RIGHT
RAH! RAH! RAAHHHHH!
YAY BLUE, YAY WHITE, YAY JARRELL
FIGHT! FIGHT! FIGHT!
