Adopted: September 18, 2023

Questions and Answers:

***Required Question 1. The School Code does not specifically address what happens when board members violate their oath of office, nor does it create an opportunity to take legal action for such violations. *Collins v. Bd. of Educ. of North Chicago Comm. Unit Sch. Dist. 187*, 792 F.Supp.2d 992 (N.D.Ill. 2011). **Consult the board attorney for guidance when considering any type of disciplinary action or sanction against a board member.**

Depending on the situation, a board self-evaluation or private one-on-one meetings with a board member may be appropriate to address an issue relating to board member behavior (for a list of IASB workshops, see www.iasb.com/conference-training-and-events/training/workshops/). When a board member's violation of the oath of office also constitutes a willful failure to perform his or her official duties, the board may request the regional superintendent to remove the member from office. See sample policy 2:60, *Board Member Removal from Office*, available at PRESS Online by logging in at www.iasb.com, at footnote 2, for further discussion. A board member whose conduct violates conflict of interest laws may also be subject to criminal liability and removal from office. See sample policy 2:100, *Board Member Conflict of Interest*, and its footnotes, for additional information. In consultation with the board attorney, a board may also consider other actions to address a member's violation of the oath of office, such as publicly censuring a member. *Houston Comm. College System v. Wilson*, 595 U.S. 468 (2022) (holding that a college board of trustees did not violate a trustee's First Amendment rights when it adopted a resolution censuring him for "reprehensible" conduct). Other sanctions may be also warranted, depending on the facts. For example, in *Earnest v. Jasper Cty. Comm. Unit Sch. Dist. No. 1*, 371 F.Supp.3d 459 (S.D.Ill 2019), a court held a board member was not deprived of his liberty interest under the 14th Amendment when the board limited his access to confidential board packet information after it found the board member shared confidential personnel and student information with members of the public.

To encourage appropriate conduct, boards may wish to have their policy express potential consequences for violating the oath of office or the *Code of Conduct for Members of School Boards*. Such boards may add the following sentence to the end of this policy:

"A board member who fails to abide by the oath of office or the *Code* may be subject to action by the Board, including, but not limited to, formal censure and/or referral to the Regional Superintendent for removal from office under Board policy 2:60, *Board Member Removal from Office*."

Has the Board adopted this policy to include the optional sentence shown above?

☐ No. (Default)

☐ Yes. (For districts in suburban Cook County, IASB will replace "Regional Superintendent" with "appropriate Intermediate Service Center Executive Director.")

Section 2 - BOARD OF EDUCATION

2:130 Board-Superintendent Relationship

The Board of Education directs, through policy, the Superintendent in his or her charge of the administration of the District by delegating its authority to operate the District and provide leadership to staff. The Board employs and evaluates the Superintendent and holds him or her responsible for the operation of the District in accordance with Board policies and State and federal law.

The Board-Superintendent relationship is based on mutual respect for their complementary roles. The relationship requires clear communication of expectations regarding the duties and responsibilities of both the Board and Superintendent.

The Board hires, evaluates, and seeks the recommendations of the Superintendent as the District chief executive officer. The Board adopts policies necessary to provide ~~general~~ [PRESSPlus1](#) direction for the District and to encourage achievement of District goals. The Superintendent develops plans, programs, and procedures needed to implement the policies and directs the District's day-to-day operations.

6. Although items may be considered by the Board in a different order than appeared on the agenda, items in the minutes are generally recorded in the same order as they appeared on the agenda. When a meeting is reconvened on a different date, the minutes must describe what happened on each meeting date.
7. The minutes should be recorded in an objective ~~but positive/constructive~~ *and Constructive* tone. Answers and explanations, rather than questions, are recorded. Writing style, including choice of words and sentence structure, is at the discretion of the individual recording the minutes.

Section 2 - BOARD OF EDUCATION

2:240 Board Policy Development

The Board of Education governs using written policies. Written policies ensure legal compliance, establish Board processes, articulate District ends, delegate authority, and define operating limits. Board policies also provide the basis for monitoring progress toward District ends. [PRESSPlus1](#)

Policy Development

Anyone may propose new policies, changes to existing policies, or elimination of existing policies. Staff suggestions should be processed through the Superintendent. Suggestions from all others may be made to the Board President or the Superintendent.

A Board Policy Committee will consider all policy suggestions, and provide information and recommendations to the Board.

The Superintendent is responsible for: (1) providing relevant policy information and data to the Board, (2) having policy recommendations drafted into written form for Board deliberation, and (3) seeking the counsel of the school attorney when appropriate.

Policy Adoption and Dissemination

Policies or policy revisions will not be adopted at the Board meeting at which they are first introduced, except when: (1) appropriate for a consent agenda because no Board discussion is required, or (2) necessary or prudent in order to meet emergency or special conditions or to be legally compliant. Further Board consideration may be given at a subsequent meeting(s). The adoption of a policy will serve to supersede all previously adopted policies on the same topic.

The Board of Education policies are available for public inspection online and in the administrative office during regular office hours. Copy requests should be made under the District Access to Public Records Policy.

Board Policy Review and Evaluation

The Board of Education will monitor its policies and consider whether any modifications are required. The Board may use an annual policy review calendar.

Words Importing Gender

Throughout this policy manual, words importing the masculine and/or feminine gender include all gender neutral/inclusive pronouns.

Superintendent Implementation

The Board will support any reasonable interpretation of Board of Education policy made by the Superintendent. If reasonable minds differ, the Board will review policy and consider the need for further clarification.

In the absence of Board of Education policy, the Superintendent is authorized to take appropriate action.

Suspension of Policies

The Board, by a majority vote of members present at any meeting, may temporarily suspend a Board policy not established by law or contract. The failure to suspend with a specific motion does not invalidate the Board action.

Section 4 - OPERATIONAL SERVICES

4:180 Pandemic Preparedness; Management; and Recovery

The School Board recognizes that the District will play an essential role along with the local health department and emergency management agencies in protecting the public's health and safety during a pandemic. [PRESSPlus1](#)

A pandemic is a global outbreak of disease. Pandemics happen when a new virus emerges to infect individuals and, because there is little to no pre-existing immunity against the new virus, it spreads sustainably.

To prepare the School District community for a pandemic, the Superintendent or designee shall: (1) learn and understand ~~how~~ the roles ~~that~~ the federal, State, and local government ~~function~~; (2) form a pandemic planning team consisting of appropriate District personnel and community members to identify priorities and oversee the development and implementation of a comprehensive pandemic school action plan; and (3) build awareness of the final plan among staff, students, and community.

Emergency School Closing

In the case of a pandemic, the Governor may declare a disaster due to a public health emergency that may affect any decision for an emergency school closing. Decisions for an emergency school closing will be made by the Superintendent in consultation with and, if necessary, at the direction of the Governor, Ill. Dept. of Public Health, District's local health department, emergency management agencies, and/or Intermediate Service Center.

During an emergency school closing, the Board President and the Superintendent may, to the extent the emergency situation allows, examine existing Board policies pursuant to Policy 2:240, *Board Policy Development*, and recommend to the Board for consideration any needed amendments or suspensions to address mandates that the District may not be able to accomplish or implement due to a pandemic.

Board Meeting Procedure: No Physical Presence of Quorum and Participation by Audio or Video

A disaster declaration related to a public health emergency may affect the Board's ability to meet in person and generate a quorum of members who are physically present at the location of a meeting. Policy 2:220, *School Board Meeting Procedure*, governs Board meetings by video or audio conference without the physical presence of a quorum.

Payment of Employee Salaries During Emergency School Closures

The Superintendent shall consult with the Board to determine the extent to which continued payment of salaries and benefits will be made to the District's employees, pursuant to Board policies 3:40, *Superintendent*, 3:50, *Administrative Personnel Other Than the Superintendent*, 5:35, *Compliance with the Fair Labor Standards Act*, 5:200, *Terms and Conditions of Employment and Dismissal*, and 5:270, *Employment At-Will, Compensation, and Assignment*, and consistent with: (1) applicable laws, regulations, federal or State or local emergency declarations, executive orders, and agency

directives; (2) collective bargaining agreements and any bargaining obligations; and (3) the terms of any grant under which an employee is being paid.

Suspension of In-Person Instruction: Remote and/or Blended Remote Learning Day Plan(s)

When the Governor declares a disaster due to a public health emergency pursuant to [20 ILCS 3305/7](#), and the State Superintendent of Education declares a requirement for the District to use *Remote Learning Days* or *Blended Remote Learning Days*, the Superintendent shall approve and present to the Board for adoption a Remote and/or Blended Remote Learning Day Plan (Plan) that:

1. Recommends to the Board for consideration any suspensions or amendments to curriculum-related policies to reduce any Board-required graduation or other instructional requirements in excess of minimum curricular requirements specified in School Code that the District may not be able to provide due to the pandemic;
2. Implements the requirements of [105 ILCS 5/10-30](#); and
3. Ensures a plan for periodic review of and/or amendments to the Plan when needed and/or required by statute, regulation, or State guidance.
