Parents shall be informed of the district policy concerning "Meals for Needy Children." A letter and application form will be distributed to all parents during the first few weeks of school. The letter will contain information on the eligibility standards, procedures for applying for free "Meals for Needy Children," and how an appeal may be filed for an adjustment in the decision with respect to the application. This information and an application form will also be provided whenever a new student is enrolled. (cf. 3542.42 - Finance: Food Service)

A public news release containing this same information will be made available to local news representatives early in the school year. Copies of this public release will be made available upon request to any interested party. Subsequent changes in the district eligibility standards during the school year, which are approved by the state agency, will also be publicly announced.
