Re: Naming of 11th Elementary School

The School Naming Subcommittee is presenting four possible names for Elementary #11. These choices were determined according to Board Policy CW (Local) and are listed below in the order of preference by the subcommittee.

1. Canyon Ranch Elementary School

This is the top choice of the subcommittee. It incorporates many of the streets in the area where the school is located that include Canyon in their names. It is consistent with our cowboy/western theme in CISD, and is complimentary to the sister school in the area – Valley Ranch Elementary School.

2. Ranch Trail Elementary School

This name is consistent with our cowboy/western theme and combines the names of two streets surrounding the school – Ranchview and Santa Fe Trail.

3. Campion Trail Elementary

This name pays tribute to the canals that run through Valley Ranch and the trails that follow them.

4. Santa Fe Trail Elementary

This name reflects the street address of the school.

The subcommittee members are David Caviness, Anthony Hill and Leigh Walker.

Recommendation:

An appropriate motion for board action to select the name of Elementary #11 is as follows:

"I move that the board adopt the name (insert agreed upon name here) for Elementary #11."
