Principal Misner's Message.....

Dear North Valley Families:

Happy New 2016!! Now that the Christmas/Winter break has passed, the end of first semester is days away, winter sports are in full season and it is wonderful to see so many young people actively engaged in school. Thank you for staying connected to your student's progress on Parent Vue and for supporting them as they do their best to finish strong. First semester work closes on February 4.

We are fortunate to welcome a new math teacher, Chris Allen, who will be teaching Algebra I and Geometry for the remainder of the year. Chris is a 2010 Grants Pass High School graduate with a degree in math from SOU. He is completing his MAT program through his teaching assignment with us.

Seeing that all students registered for classes last spring, we will only be making class changes to balance classes and to address the needs of students who complete requirements. Second semester schedules will be given to students on February 8 at 7:30 am.

Skyline Conference play in basketball, wrestling and swimming starts the weekend of January 8. Our kids love to perform for families and friends so we welcome you and encourage you to attend our events as much as possible. We have equestrian, forensics, FBLA, Skills USA and Robotics gearing up for competition. If you would like to volunteer as a judge for events or are willing to donate to our programs, we would definitely appreciate your support.

We work daily to address the educational and emotional needs of our students. We appreciate our parent partnerships and the good influence of adults who care for our kids. You are welcome to call me anytime if you have a concern that needs to be addressed. Thank you for the opportunity to serve you at North Valley.

Sincerely,
Dennis Misner

NVHS Speech and Debate needs your Ears and Eyes, your Time and Ties!

WE NEED YOUR HELP!

On January 29-30th the NV and GP speech teams will host the Logan Will Memorial Invitational. This year, several Portland area teams are coming to our tournament, and we want to make the tournament as good as possible. We are looking for a few things:

Ugly ties: If you have ties sitting in the back of the closet that no human should have ever worn, we would love to have them donated. We use these ties to distinguish one group of competitors from the rest and they proudly wear these ties in all their hideous glory.

Judges: To make the tournament successful, we need 30-40 judges throughout. Any adult is a potential recruit...no experience necessary. We have a wonderful group of students who are used to speaking in front of lots of different types of judges. The judging is low key, with 4-6 kids per room, and our number one rule is "The judge is always right." Please feel free to pass our information along to anyone you think might be available.

Hospitality food: We keep our coaches, judges, and other volunteers fed throughout the tournament. If you are willing to help with donations, please contact us.
