- CCSD's Indigenous Education Committee is working tirelessly to plan the first Youth Gathering. This event will be hosted at CHS as part of our celebration of Native American Heritage Month. All CCSD middle school and high school students will spend the day rotating through sectionals presented by local leaders. The sectionals include tribal government, Haida language, Alaska Native Sisterhood, a forum with young leaders, formline, cedar roses, traditional cooking, and NYO. We are hoping to have a Tlingit language sectional, too. Elders have been invited to join. ANS is hosting the hospitality room. We've had donations from Craig Moose, Hope, Shaanseet, CTA, Thompson House AC, Tlingit Haida, Sealaska, and anticipate more.
- CCSD will host the annual Thanksgiving Elder Dinner on Tuesday, November 22. We are happy to have elders rejoin us in person this year. Jessica Hughes and the student council are hard at work planning this event.

### Gratitude

---

- Thank you to all the donors who've made the Youth Gathering possible.
- Thank you, Charlene, Norma, Shauna, and Aubrey, for the footwork they've put in acquiring donations for the Youth Gathering.
- Thank you to Student Council and Mrs. Hughes for planning the Elder Dinner.
