October 2025

Dear Umatilla School Board Members,

STEAM After School Program Report

- We successfully opened a new site this session, with **Courtney Bevins** serving as Site Coordinator.
- Current enrollment:
 - **MHES**: 80 students
 - **CVI**: 91 students
 - **CBMS/UHS**: 69 students
- **Volleyball** is our most popular class and currently has a waiting list, followed closely by **STARBASE**.
- We are partnering with **STARBASE** to provide STEM activities at CVI during this session and continuing into the next.
- **Robotics Competition** will be held on **October 10th at CVI**.
- Planning is underway for a **family engagement event—Lights On!—on October 23rd**, where caregivers will have the opportunity to see the exciting things happening in STEAM.
- Program staff are also completing the **Summer Learning Final Report** and required **CCLC reports**.

Sincerely,

Stephanie Williams-Strege
