

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: April 21, 2014

AGENDA ITEM: Consider Approval of the “Statement of Impact” Related to the Athlos Academy Charter School

PRESENTER: Dr. Derek Citty, Superintendent

ALIGNS TO BOARD GOAL(S): ALL

BACKGROUND INFORMATION:

- In accordance with TEA guidelines, proposed charter schools must submit a “Statement of Impact” to any public school district that may be affected by this new, proposed campus.
- These statements must be considered by Trustees in an open board meeting and must be returned to TEA by a stated deadline.
- The Athlos Academy, a proposed K-12 charter school who application address originates in Rockwall, TX, has made application of the Texas Education Agency to license a charter campus. The administrative offices of the proposed charter school are located at 2085 Garden Crest Drive, Rockwall, TX. Since the final location of the campus, if approved, is unknown, there is no reliable manner in which to gauge the impact of such a campus. However, if the campus is built in relation to the application address, the school is not expected to impact our enrollment in Aledo ISD.
- This school, if approved by TEA, will draw enrollment from several area districts across the DFW area. As can be seen the physical address of the school is generally described as, “Within Dallas Fort Worth Metroplex and other surrounding areas within Tarrant, Denton, Dallas, Parker, Johnson, Collin, Rockwall and Ellis counties.”

ADMINISTRATIVE CONSIDERATION.:

- Approval of this impact statement as “no impact” should have no appreciable effect on the finances of the district because of its probable location.

FISCAL NOTE: Consideration of this impact statement will have no known adverse effect to the 2014-2015 budget.

Administrative Recommendation: Administration recommends approval of the charter school impact statement as having no impact to AISD.
