Dear Members of the Board of Education,

Our students, staff, and families continue to make North Creek a special place where learning and community go hand in hand.

March is Reading Month (MIRM) was a success! In true superhero fashion, our students, staff, and families surpassed our ambitious goal of reading 20,000 books. We are incredibly thankful for our MIRM leadership team—Gina Hilliard, Jacie Velez, Jess Richer, Kim Gabrielson, Mackenzie Duff, and Christie Baker—for creating a month full of engaging and meaningful experiences that inspired a love of reading across our school.

We would also like to extend a special thank you to our PTO, along with Kim Gabrielson and Jacie Velez, for organizing our Family Fun Reading Night. The energy, creativity, and strong turnout from our families truly showcased the power of reading and the strength of our school community.

North Creek has also had the pleasure of partnering with Eastern Michigan University's College of Education, welcoming future educators into our classrooms to complete their observation hours. It has been a rewarding experience to support and connect with the next generation of teachers.

Thank you for your continued support of North Creek Elementary. We are proud of the work happening in our building and appreciative of the partnership we share with our Board of Education.

With gratitude,

Casey Wescott
Principal, North Creek Elementary
