

Dual Credit – Graduates of 2021 and Beyond

Odessa College and The University of Texas of the Permian Basin High School Dual Credit Courses Effective 2019-20

Only Core (Math, Science, English, Social Studies)

and Languages Other than English for graduation requirements will count on the 4.5 GPA Scale.

No Dual elective courses count toward GPA. These courses will

NOT have a negative impact on your GPA.

Please see each course listing for the GPA Weight.

9th and 10th Grade students will be placed in dual classes before and after their full-day schedule with ECISD. 11th and 12th graders can be placed into dual courses during the day within their schedule. 11th and 12th grade students must sit face-to-face for 5 credit-bearing courses before approved for online courses or courses on the college campus which do not report attendance to ECISD. Students may not enroll into a dual credit online course that results in the student sitting in a lab for attendance credit if that course is offered on the ECISD campus. Students will be enrolled in the face-to-face section on the ECISD campus when possible.

OHS, PHS AND NTO: 8-week Dual-Credit courses are ONLY allowed outside of the school day. 8-week courses will be placed on the schedule for 0 and/or 9th periods. Students taking 8-week courses must meet the registration deadlines at the beginning of each semester.
