## January Board Report 2022

### CAN DRIVE!

The Unity Middle School Student Council teamed up with the Elementary Student council this year to make the annual food drive bigger and better! Middle Schoolers were encouraged to bring in non-perishable food items from December 6th to 16th. To make it a friendly competition, students were put into "teams" by Homeroom teacher and the winning homeroom received a Hot Cocoa and Sledding Party (to happen at a later date). In total, the Middle School collected 1,552 non-perishable food items for local families in need!

*Pictured is the Unity Middle School Student Council members with some of the donated items*

### PBIS HAPPENINGS

As a reward for no missing assignments, in Trimester 2, 5th Graders were able to spend an hour baking delicious fresh cookies!

### BASKETBALL

Wednesday, December 22nd, students were excited to cheer on for one of two teams; when the 8th Grade Boys Basketball team took on a variety of Unity School Staff, in the annual Staff vs Student Basketball game.

Mr. Miller served as the games emcee and students showed school spirit by doing some of the familiar "favorite cheers"!

*Pictured is the 8th grade boys basketball team along with the staff members who played against the team*

### HOLIDAY CONCERTS

Tuesday, December 14th was an evening filled with the musical talent from students who participate in band and choir! Family and friends of Unity Middle school students were able to enjoy an in-person concert experience and hear what students have been up to since the start of the new school year!

Pictured below are the 6th, 7th and 8th grade students singing and playing some Holiday favorites.
