

Approval of LED Relighting Cost for Ryan High School Athletic Field & Track

June 10, 2025

SUMMARY:

This item requests approval for the LED relighting project for the Ryan High School football field. The project involves replacing outdated metal halide fixtures with modern, energy-efficient LED lighting. This upgrade will improve field visibility, reduce energy consumption, lower maintenance costs, and meet UIL lighting standards for athletic competition.

BOARD VALUE:

Growth & Management...In pursuit of excellence, we value demonstrating effective and efficient management of district resources.

PREVIOUS BOARD ACTION:

None

BACKGROUND INFORMATION:

Denton ISD voters previously approved a Bond Referendum in 2018. The LED Relighting project will be funded from savings out of the 2018 Bond Referendum.

FISCAL IMPLICATIONS:

<u>LED Relighting:</u>	<u>\$ 278,214.00</u>
-------------------------------	-----------------------------

BENEFIT OF ACTION:

Board Approval of this project will enhance lighting quality for events, reduce energy consumption, lower maintenance costs, and ensure compliance with UIL standards, all while supporting the district's long-term sustainability goals.

SUPERINTENDENT'S RECOMMENDATION:

Requests approval to proceed with the LED relighting project at Ryan High School's football field to enhance safety, performance, and energy efficiency in the amount of **\$ 278,214.00**.

STAFF PERSONS RESPONSIBLE:

- Jeremy Thompson – Deputy Superintendent
- Brandon Boyter – Executive Director of Construction, Planning & Growth
