RE: Mineola HS Running Track – Asphalt Repair

Good morning Dr. Fuller, Mr. Bjork:

As you know, Hellas Construction, Inc. has completed the removal of the existing track surface at the Mineola HS track. We have found major asphalt issues that require some work.

We've had an asphalt paver visit the site, make an inspection of the site with us, and provide us with a quote to get this asphalt work done.

Scope of Work:

1. Patch approximately 175 ft. x 15 ft. x 4 inches deep.
2. Install Petro Mat over entire track oval.
3. Tack and install 1 ½" HMAC asphalt overlay on track oval.

COST FOR ABOVE WORK: \$ 109,371

Please review and let us know if there are any questions. Our office telephone number is (512) 250-2910. If this meets the District's approval, please forward a Purchase Order. Our fax number is (512) 258-5797.

We look forward to hearing from you soon!

Respectfully,
