School Goals & Plans

Learning Goals

Learning Action Plans

1. School-wide student Reading Goal	1. Each AHS student will have a reading goal. Every quarter the 3A teacher will review the progress of their goal towards completion. Once a goal is completed, a new goal will be written. Teachers will support AHS students by engaging students in reading and comprehension skills as designed in PLCs.
2. Raise mathematic end-of-year scores by 5%.	2. Teachers will support student learning in math by engaging students in math comprehension skills as designed in PLCs. Cornell Notes or similar used as study grams.
3. District Student Engagement Goal	3. Teachers will use engagement structures learned at DCSD Open Institute and Kagan in their everyday planning. Cornell Notes or similar used as study grams.
