

SCHOOL BOARD MEETING REPORT

Board Meeting Date: 11/15/2016 **Superintendent:** Dave Valenzuela

Administrator/Staff: Stephanie Allen-Hart

Type of Item: *Informational* *Action*

Please state your proposal briefly and clearly. What do you want the board to know, discuss, or decide?

Each June the school board approves a specific number of open slots for students transferring in to our district for the following school year. This past year, 90 slots were opened up K-12. I would like to propose we close the remaining 22 slots (10 at middle school 12 at elementary) for this school year.

Provide history/background information on your proposal:

Due to laws passed in 2014-15, districts must now declare how many open spots they have for out of district transfers in to TRSD.

List the advantages of your proposal:

This will allow us to keep current staffing in our buildings. This would still allow for hardship transfers that meet state requirements.

List possible disadvantages of your proposal:

We could lose additional ADM for new transfer students.

List possible alternatives that could also offer a solution to your proposal. Why were they not recommended?

We could keep open slots available for the remainder of the year. This is a concern due to staffing and historically many students that transfer mid year struggle with behavior and attendance.

Superintendent's recommendation(s):

Approve: Yes No
